Sir:

This application was filed on April 4, 2006 as a national phase application of PCT/DK04/00699. As indicated in the Transmittal Letter to the DO/EO/US and the Application Data Sheet, this application claims priority or the benefit of Danish Application No. PA 2003 01526 filed on October 16, 2003 and U.S. Provisional Application No. 60/513,758 filed on October 22, 2003.

The filing receipt mailed March 7, 2007 omits the U.S. Provisional Application in the domestic priority data section.

Applicants therefore request the issuance of a corrected filing receipt with a complete domestic priority data section.

Applicants submit that the error was the fault of the USPTO and therefore no fee is due. Should any fees be due, please charge deposit account no. 50-1701 of Novozymes North America Inc.

Respectfully submitted,

Date: July 30, 2009
